

# Office Directions

56 The Triangle, The Carriage Works,  
Wolverton Park Road, Milton Keynes MK12 5FJ

**We look forward to meeting with you, the postcode alone may not bring you right to our door, so here is our guide to assist.**

Depending on the route you take, you should drive under a bridge on Wolverton Park Road when following your Satnav to the postcode. You will see an Old Railway House next to the road you need to take, as below.

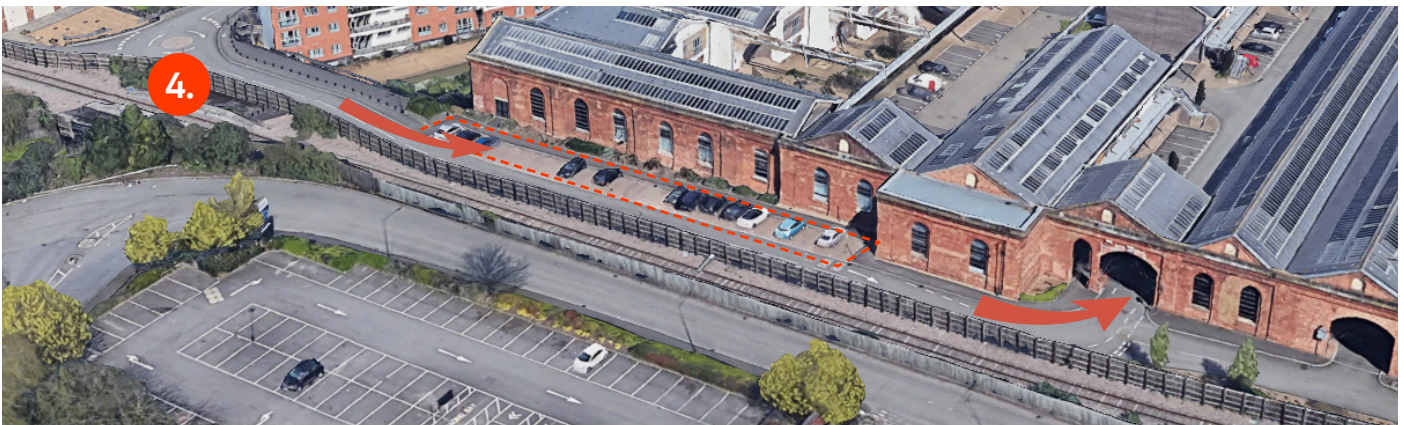

---

Follow this road all the way to the top and round **to the right** past the apartment blocks. At the top take **a left** at the small roundabout.

---

You will then see parking spaces on **your left-hand side**, park as far down in these spaces as you can. The parking here is **free for 2 hours**. Then walk down towards the next archway.

---

Here on the left you will see 'Café Ole' – **we are the office directly above**. There are steps to your right.

If you need any extra guidance, please call our offices on **01908 263650** and a member of the team will be happy to help.
